ATHLETES

Team Management – Mrs S Tomlins

It has been great to see many of the experienced manager's once again taking time from their busy schedules to manage our teams away at national event. Also our first time managers and assistant managers, we hope you enjoyed your experience away with your teams. We have also had a large number of parents helping, with lunches and coming in at nights supervising rooms.

A huge thanks you to you all, for you commitment, and efforts you have put in, to make the swimmer feel safe and relaxed while away on tour. This has allowed them to compete to the best of their abilities.

We have had great feedback this year through our team surveys and the swimmers do appreciate your efforts.

Thank you to Yvonne McDonald, for both the time given to developing a job description for team managers, and also for sharing her knowledge when training new managers.

Written evaluation from all swimmers, managers and coaches, help us to make improvements and adjustment for future events, so I encourage swimmers to take extra time when completing these forms.

We also appreciate any feed back from parents, so feel free to contact me if necessary.

Team manager's application forms and job descriptions are available from the Executive Officer.

Uniforms – Yvonne McDonald

Everyone is doing a great job at going online and ordering their uniform requirements, and then their uniform is delivered once monograms/screen-printing has been applied.

Since the Spirit of Southland Club has gone into recess, due to a change in SNZ regulations, we have seen a resurgence of club colours poolside.

When travelling, teams wear their Swim Southland tracksuits and continue to look a very smartly presented team.

COACHES & TEACHERS – Andrew Holden

Being new to the management committee and appointed to the Coaches and Teachers portfolio, my first objective was to meet with Jeremy Duncan (Head Coach) and Aidan Withington (Development Officer) to find out how I could best support them in their roles.

Both thought that more communication and support would be of benefit.

The Head Coach Contract was up for renewal in May 2009 and he indicated that he was enjoying his job and wanted the contract to be renewed.

Meetings were held with Clive Power to get an understanding from him about what should be incorporated into a new contract and requests were made to Swimming NZ to try and source an existing contract to give us a starting point but unfortunately none were available. Because the writing of a contract is the job of a suitable qualified person and due to lack of funds to employ somebody to do it, Brian Richardson kindly offered to prepare a draft copy for the management committee to review and comment on, but unfortunately due to lack of available time at committee meetings this has not been able to be completed yet.

This has been very frustrating for both Jeremy and me as it was one aspect of the role I would have liked to get completed.

Aidan Withington's role of Development Officer saw him provide the schools with 12 to 13 hrs of coaching per week. This was to either provide training for the teachers or to provide coaching for the experienced swimmers. We had 2 meetings with schools in conjunction with Splash Palace to provide information to the schools on what the programme offers. Aidan also emailed all the schools partaking in the programme to offer his services.

Aidan's role also provided town clubs the opportunity for a free session per month to help with coaching methods and provide assistance when requested. This opportunity was taken up by most clubs.

Due to Aidan's time off for sick leave thanks goes to H2O Dreams and Splash Palace for providing substitute coaching when Aidan was unavailable.

I have enjoyed being on Management this year and have gained a greater understanding of the sport and thank the remainder of the management committee for the support.

EXTERNAL STAKEHOLDERS – Joka Wiegersma

TROPHIES/AWARDS

Again I wish to acknowledge the support of Creative Screen Prints this year for a great job that was done and providing us with excellent service. We did require ribbons for Ribbon Day and Junior School Champs this year. We ordered small narrow finalist ribbons, for 4th - 8th placegetters along with the long Ribbons 1st, 2nd and 3rd ribbons and these got presented on the day to acknowledge the swimmers efforts.

At Southland Champs this year there was only one visitor who attended as other regions championships clashed with ours, there were 142 swimmers with 1074 entries, it was a successful meet and swimmers enjoyed the weekend.

The Swimming Southland management committee have decided, since the conclusion of Southland Champs, that we should be awarding medals to the winners of the relay competitions. This year the medals were sent out to clubs for distribution but from now on they will be awarded at the meet.

The Annual Prize giving held at the Ascot Park Hotel was a great success again with 160 plus attending this year.

It is great to see so many young swimmers developing. Encouragement, recognition and support are what keep our swimmers going.

It is not an easy task to organise a successful prize giving, and it was very much appreciated that trophies got returned promptly this year. Thank you to those that returned them shiny and clean as well, it makes my job a lot easier.

Again I wish to thank McLeay Jewellers for the engraving of the trophies and their service, a well job done each year. We purchased 5 new trophies this year for the Open Water Championships and one of these trophies was donated by our patron, John Sutton. Thanks John.

A big thank you to the Swim Southland Executive Officer, President, Selectors, Awards Committee and other parties involved with the award process.

Thank you, to Life Members, Management Members and parents, who have assisted with medal presentations at swim meets and at prize giving.

It is important to hear the encouraging words and history you share with our community.

Thank you and congratulations to all Swimmers for an outstanding year, we look forward to what 2009/2010 will bring. Good luck to you all.

HOSPITALITY

The Swimming Southland Annual Prize Giving was held at the Ascot Park Hotel

Finger food was served at a small cost, this was enjoyed by many.

We thank the Ascot Park for their great facilities and services every year.

At Southland Champs we served water and sweets to the officials.

In September we had a prize giving from the winter league meets at the Caledonian pipe Band Hall, everyone brought a plate and Waverley served tea/coffee and savouries, this worked well and kept the cost to a minimum.

Thanks to all who have helped in one way or another. Looking forward to another successful year.
