

Dear Swim Club Committees

This year will be Orca's 29<sup>th</sup> Labour Weekend Carnival and it is pleasing to look back on all the support that Orca has had for the previous 28. This carnival would not have been able to continue for this length of time without the valuable support that you have all given us in the past.

As we approach the upcoming Carnival we look forward to your continuing support.

The Orca Labour Weekend Carnival offers a full Long Course 5 Session Meet. This means the swimmers have the opportunity to experience a full meet where they swim prelims and finals rather than just timed finals. For a lot of swimmers this gives them the chance to experience a meet of this type before making National Meets. For other swimmers it is a chance to prepare for their National Meets at a full Carnival.

Shortly a flyer will be sent out giving details of the Carnival.

This is my personal invitation to all the swimmers and clubs who have previously experienced the Orca Labour Weekend Carnival to return to enjoy the competition and Orca hospitality. For those swimmers and clubs who have not yet experienced this Carnival I cordially invite you to come and enjoy a weekend of fun and competition in the Deep South.

Yours truly
