Re: Team Manager Appointments 2012

Please find attached an application form for team management appointments for the rest of the 2012 competition season.

This includes the following meets:

2012 South Island Champs – Timaru 30th August – 2nd September 2012
Travel Thursday 30th August and Monday 3rd September

2012 NZ Short Course Champs - Wellington 30th September - 4th October 2012
Travel Friday 28th September and Friday 5th October.

We would appreciate if all clubs could forward this out to as many members as possible to ensure that all interested parties can put their name forward. The applications will close on Thursday the 31st of May at 5pm.

The Swimming Southland team management sub-committee comprising of Yvonne McDonald and Jane Fisher will receive the applications and table their recommendations for ratification at the Swimming Southland Management meeting on the 12th of June. All candidates who have applied will be notified as soon as possible after this meeting.

At this stage Swimming Southland will only be appointing team managers but assistant team managers may be appointed to teams where swimmer numbers attending the meet require one. This will be decided by the Swimming Southland management committee on a meet by meet basis based on recommendations from the sub-committee. All applications submitted on this form will be considered for those positions.

The application form and covering memo will also be posted on the Swimming Southland website for members to download and will be forwarded to the swimmers who have currently qualified for the meets.

In the meantime if you have any queries please feel free to give me a call.

Regards

David Prattley
Executive Officer
Swimming Southland
