Further detail to follow

Team Uniform

Please ensure that you have the following items:

Travel: White Swim Southland polo shirt and full track suit

Poolside: Maroon top (singlet and/or polo), plain black shorts (Canterbury shorts are OK) and track suit..

Remember that footwear must be worn pool side at all times.

If you don't have any of these let us know so we can borrow some.

Please make sure you have a Swim Southland cap and money for spares. We will have some caps available to purchase for \$10 for a normal cap and \$20 for the dome cap.

Uniform items can be purchased via the Swim Southland website: www.swimsouthland.org.nz

Merchandise

Event merchandise is available to be ordered from Teamline: www.teamline.co.nz .

Orders are due in by 14 February and are collected at the event.

Food

We will be looking to do a mixture of self catering and eating out.

Please bring a packed lunch for travelling up on Thursday 15 February, along with some home baking for sharing for morning and afternoons teas.

Swimmers will need to remember to bring their own usual poolside snacks. It is suggested to prepack enough snack packs for each of the sessions.

Team meeting

We will look to have a quick team meeting after the Southland Age Group meet this Saturday 10 February 2018, in the Russell Cushen Room.

Any questions, please contact any of the team management.
