

MEET INFORMATION –
SOUTHLAND SCHOOLS SWIMMING CHAMPIONSHIPS 2018

Entry to Splash Palace

Please **allow plenty of time prior to the warm up of your session, in order to enter through reception at Splash Palace** – normal pool entry is payable at reception.

Space is going to be tight!!

As we all know, space can get tight when there are big events at Splash Palace – this Sunday will be one of those ‘big events’!

So we do ask you to please let your parents know this and to limit the amount of spectators coming in to watch their child swim.

We also recommend, ideally only 1 – 2 team managers per team depending on your schools entrants.

Seating

Spectator seating this year is going to be at the top end of the pool’s seating area (hydro-slide area) – a **seating plan will be posted around the pool** marking out the area for spectator seating and swimmers/team managers seating. Please strickley adhere to this seating plan

Timekeepers

Please ask your parents to come along and time keep – we need 3 timekeepers per lane (8 lanes x 3 = 24 timekeepers per session!) – THIS IS THE BEST SEAT IN THE HOUSE..... especially when space is tight, please come across to the control room as soon as you can during warm up and pop your name down on the list to timekeep.

Pool Café

This will be open – and I have asked them to have lots of milk and coffee ready for us!!!

Programs

Each team will receive one free program – please collect this from the programs table during warm up. Further programs are available to purchase from the programs table - Programs will be \$2

Team Managers Meeting

A meeting will take place in the Russell Cushen Room (room behind the café area), during the warm up of each session – all team managers to attend please;

Session One – 9.40am

Session Two – 1.40pm

Marshalling

- All swimmers are to come to marshalling 6 heats prior to their own

- Swimmers are asked to know their race, heat and lane numbers when they arrive at marshalling

(a handy idea is to write these numbers on the swimmers arm with a marker prior to heading to marshalling)

ie, my swimmer is in

Freestyle, heat 4, lane 6 – FREE 4/6

Backstroke, heat 9, lane 2 – BACK 9/2

Results

Results will be posted on the glass wall between the café and wave pool

A full set of results and results by school will be posted on www.swimsouthland.org.nz

asap following the meet

Ribbons

With the sheer volume of kids swimming this weekend, we will not be able to hand out ribbons during the course of the meet – all ribbons won by students at your school will be posted directly to your school asap following the meet.
