When do I join a club?

You can join club as a Learn to Swim Swimmer, a Club (non-competitive) swimmer or a Competitive swimmer. Below is a brief definition each membership...

Learn to swim

Lessons focusing on water confidence and basic swimming skills for children aged five and above.

Club (non-competitive)

A non-competitive or club swimmer can only race at local meets.

Competitive

As a swimmer progresses through the pathway they can consider becoming a Competitive Swimmer. This entitles them to compete at both Southland Championship Meets and represent Southland at regional or national meets

How do I decide which club to join?

We have 11 Swimming Clubs in Southland, so there will be one that's suites you and your swimmers needs.

Details on each club can be found in the CLUBS SECTION our website and the listed Club Contact will gladly guide you on how to join, what their coaching & club fees are & what club uniform is required.
